

# Teddy Tennis & Pre-School

**Teddy Tennis is a fantastic new program which uses music, pictures and stories to encourage young children to get active and learn to play tennis**

Teddy Tennis is the ideal sports program for all pre-schools or kindergartens. It will bring to your location, an exciting and fun based activity, which children, parents and staff will love.

## Educational Benefits

The educational benefits Teddy Tennis offers kids aged 3, 4 and 5 years are very impressive and include:

- Inspiring a love of sport
- Teaching the essential tennis skills
- Speeding up the learning process
- Enhancing co-ordination
- Improving confidence and self-esteem
- Building communication skills and team work
- Teaching the concept of sportsmanship and fair play
- Laying the foundations for listening and learning
- Introducing English language skills

***What makes Teddy Tennis really special is that its is FUN to do***

## So Enthusiastic About Sport.....

*"Since we've had Teddy Tennis at my school, the difference that I've seen in my pupils, are that they are just so enthusiastic about sport ... they just love every minute of it."*

*Elizabeth Heath  
Headmistress, Ravenstone Preparatory School, London*

## Benefits of Teddy Tennis to Pre-Schools:

- Enhances the educational offering and provides 'value add' to all pre-schools or kindergartens.
- Can be incorporated into other pre-school activities; e.g. coloring and reading using Teddy Tennis support materials.
- Provides a complementary revenue option to the pre-school or kindergarten if delivered in-house.
- Creates a 'feel good' factor for staff, kids and parents.
- Does not need a tennis court, just some playing space.
- Can be delivered either indoors or outdoors.
- Teddy Tennis is a structured system with detailed lesson plans making the task of preparation and teaching very straight forward.
